

Darryl Dague

Web Developer | Website: darryldague.dev | Email: me@darryldague.dev

I am an aspiring web developer with a strong foundation in programming syntax and idioms and CS fundamentals. Through a set of self-directed projects, I have become deeply familiar for with modern frameworks and development tools. I can quickly leverage new technologies while also working diligently to perfect my understanding of tools with which I have had more practice.

EXPERIENCE

Fish N Stik

Machine Operator | 2020 – 2022

- Built an e-commerce platform for company (unpaid)
